

MTCOA MEETING MINUTES
DICKSON COUNTY (GREATER DICKSON GAS AUTHORITY MEETING ROOM)
JULY 19, 2012

Treasurer Michael Rinehart called the meeting to order at 12:25 PM. All members stood as Bryant Baugher led everyone in the Pledge of Allegiance. There were a total of 24 in attendance for today's class.

Our thanks were extended to A B Crofford for teaching today's class, an Overview of the 2009 IPC. Special thanks was expressed to Donnie Thiel, Regina Bullion and Gary Jenkins from Dickson County Planning and Zoning for graciously hosting the class, providing our dessert for lunch and getting things organized for today's events. Our thanks were also extended to Steve Cordell and the staff from Greater Dickson Gas Authority for allowing us use of their meeting room facility. They were also kind enough to provide donuts and coffee for our morning refreshments.

The treasurer's report was given and as of June 30, 2012 account balances were as follows: Checking Account (\$1,798.26); Savings Account (\$2,009.80).

Quarterly Minutes from the April, May and June 2012 Meetings were just recently posted to the website. Due to the absence of Secretary Chris Bridgewater and members present having not had the opportunity to look over those monthly minutes before today's meeting approval was deferred until the August meeting. Members were encouraged to go online and look at those minutes between now and our next regularly scheduled meeting in August.

Announcement was made about the classes coming up with MTCOA. The August class will be held in Springfield with a presentation by Ran Edwards, Senior Electrical Inspector with the City of Franklin titled "Understanding the Scope of HVAC Calculations." Details for the October class utilizing our ICC Chapter Education Benefit are still being planned at this time. More will be announced to the members once those have been finalized.

RD Huffines informed the members of the passing of Les Reed. Les was the brother of Kathy Reed with Cheatham County. MTCOA extends our heartfelt sympathy to Kathy and her family during their time of grief and sorrow.

There being no further business, a motion to adjourn the meeting was made by Richard King with a second from Michael Armstrong.
