Treasurer Michael Rinehart had the following announcements:

- As of this meeting account balances were as follows:
  - Checking Account \$1,832.22; Savings Account \$2,009.64.

There was quite a bit of impassioned discussion on the topic of residential fire sprinklers. A proposal to have the membership go on the record was made, and Terry Franklin formalized the motion. The outcome was very indecisive with few members willing to commit themselves on this issue.

There being no further business, the meeting was adjourned.
