

MTCOA MEETING MINUTES

October 21st, 2010

The meeting was held following a 2 hour approved class on Structural Insulated Wall Panels (SIPS) in the Annex room at the Brentwood Municipal Center.

Meeting was called to order at 11:30 pm by President Patti Meadows.

Thank you and appreciation were extended to Kelly Constanza and Aaron Hinde for hosting and teaching the Structural Insulated Wall Panels Class. Thanks to Michael Reinhart for arranging the class location.

Motion made to approve the minutes from last month by R. D. Huffines .

Second by Richard King

Approved by vote of membership

Treasurer's Report: Treasurer unable to attend. Will update checking and savings balances later.

A moment of silence was held for Boomer's Dad, Robert "Bob" Millen, Jr. A motion was made by Linda Dansby and seconded by Bryant Baugher to donate \$100.00 to either the Faith Lutheran Church Scholarship Fund or the Masonic Lodge#262 of Tullahoma at the choice of the family. The motion passed with unanimous vote.

Congratulations to Chris Bridgewater for obtaining his MCP. Only 600 people worldwide have accomplished this.

Members were advised there are flyers in the back of the room for the Region 8 Meeting Agenda and Seminar in Gatlinburg.

FEMA will be holding a class November 4th and 5th in Nashville concerning Retrofitting Flood Prone Residential Structures.

MTCOA will be holding a "Day of Education" on November 18th at the Gallatin Civic Center. The topic will be Stair and Handrail Codes. There is a \$55.00 fee for the class and lunch will be provided.

There will possibly be an upcoming class at Centurion Stone. This is still in the development phase; please check the website for updates.

The MTCOA Christmas Dinner will be held on December 7th, 2010 at the Home Builders Association building on Elm Hill Pike.

Steve Mills advised the membership that the ICC is going through a code development evaluation. Possible improvements that have been discussed are remote voting. He asked member to check the ICC website often and respond if asked to for member input on the matter. Mr. Mills also advised that there were some changes from the Department of Energy to make homes 30% more energy efficient.

The Meeting was adjourned at 12:10 by President Patti Meadows.
